Thanks, Jeff.

Just FYI – Pillon is starting to get agitated. He left me a mildly threatening voicemail. I just thought I would give you a heads-up. His ire seems directed as me (which is fine), but just so you know.

Have a great weekend and we should chat Monday or Tuesday.

Scott

Hey, Scott. Attached is brief letter report.

Wally comes (b) (6) next week. I plan to speak with him about what happens next. I see no reason why we would not pursue removal of the remaining chemicals and possibly investigate the dump area. We'll see. Have a nice weekend.
